In Case of Poisoning

1. Remove any remaining substances from the mouth and/or skin.

2. Call the Poison Control Center at 1-800-222-1222 and give the following information:
   - age and weight of victim
   - what was taken
   - how much was taken
   - how long ago
   - any signs or symptoms present
   - your name and phone number

The Carolina Poison Control number is 1-800-222-1222.
